

# BLANCO

## WINEINTUBE

**Varieties:** Macebo, Parellada, and Xarel·lo.

**Production:** The grapes are gently pressed to attain a free-run juice that ferments at a low temperature, thus preserving the aromatic properties typical of each variety.

**Aroma:** Notes of white fruits in which citrus and floral nuances linger. A sensation of freshness and youthfulness.

**Palate:** Smooth and balanced by a fine acidic structure. Fruity undertones of green apple and pineapple. Lingers pleasantly on the palate.

### Suitable for:

Between 6 and 8°C

Mediterranean Wine
