

CHARDONNAY

WINEINTUBE

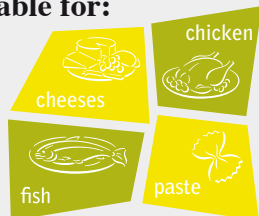

Varieties: Chardonnay

Production: The grapes are gently pressed to attain a free-run juice that ferments at low temperature, thereby preserving the aromatic properties typical of each variety.

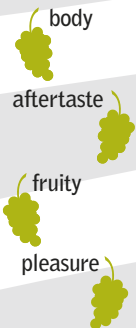

Aroma: Hints of very ripe tropical fruit, in which citrus nuances linger.

Palate: Long and lingering. Balanced by a fine acidic structure, fruity undertones of banana and pineapple linger pleasantly on the palate.

Suitable for:

Between 6 and 8°C.

INFORMATION:

Alc. % vol. : 12%

Ph : 3.1
